Committees Are Named and Details Organized for Work of Capital City Division-Ask Citizens to Display Flags Throughout City.

Richmond's reputation to blooded apathy in circumstances which in other cities arouse the population to patriotic demonstration, came in the meeting of the Central Committee of the Capital City Division, Virginia Branch of the National League for that the committee commissioner thousand the petitioners that \$30,000 of the general aptioners that \$30,000 of the general apti city's reputation in this respect is not indicative of its true feeling, and that the condition can be corrected by a united effort to bring about a re-

naissance of patriotism.

To this end the America first committee of the local division had before the meeting a plan of action which was promptly approved. It includes securing the co-operation of the schools, churches and theaters. A beginning was made by many churches last Sunday with prayers for the Presi-
